

CERETTO

Asti Spumante d.o.c.g.

Location: Santo Stefano Belbo

Hectares : 3

1st year of production:1978

This is made from the same base wine, and it maintains its varietal qualities.

The different method of processing used (secondary fermentation in pressure tanks) gives it an alcohol content of 7% vol. and a pressure on bottling of 5 atmospheres, qualifying it as a sparkling wine.

BOTTLES PRODUCED: 20.000
