

CERETTO

Bernardina *Nebbiolo d'Alba d.o.c.*

VINEYARD

Location: Bernardina vineyard, Alba (CN)

Hectares (estate-owned): 4

Altitude: from 250 to 280m a.s.l.

Facing: south

Soil: 50% clay, 32% silt, 11% sand; pH 8.05

Year of planting: 1999-2000

VINES

Grape-variety: Nebbiolo

Stock: 420 A, 16149

Plants per hectare: 4300

Buds per hectare: 38000

1st year of production: 1980

VINIFICATION

The production cycle for this wine is completed by appropriate care and attention during its floating-cap vinification in steel, and one year of ageing in wood.

WINE

Delicate nose conjuring up violets, which becomes finer and more marked on ageing. Smooth, well-balanced, dry flavor, always accompanied by good body.

BOTTLES PRODUCED: 25.000

NOTE

The nebbiolo variety is blessed with considerable vigor, so although pruning does not need to be drastic, the bunches do require prudent thinning during véraison.

PAIRING SUGGESTION

pasta/rice dishes, also stuffed white or red meats, not overly seasoned
